

LED Auxiliary Work Lamp

7" Round, 12v & 24v

FEATURES & BENEFITS

- Provides a robust, LED, solid-state solution to applications in need for additional lighting, resistant to damage from shock and vibration
- Popular for use as auxiliary lighting for off-road, utility, construction applications and more
- Offers a unique appearance, especially when installed with Truck-Lite's LED Headlamps
- Displays a very wide light output pattern which is substantially uniform and asymmetrically disposed
- Use of advanced white LED technology exceeds the light output of HID lights, with no EMI and substantially longer life (20,000 hrs vs 400 hrs.) than comparable incandescent lamps, saving the time and expense of replacing lamps multiple times
- Provides a brighter, crisper and whiter light output closer to the color temperature of daylight, dramatically improving light projection distance and overall visibility
- Metalized reflector redirects light output effectively increasing visibility
- Hard wired design and fully encapsulated electronics protect from damage caused by corrosive element
- Corrosion resistant anodized aluminum housing dissipates heat efficiently
- Voltage spike protected to 600v
- Impact resistant, non-yellowing, headlamp-grade polycarbonate lens protects against damage caused by debris and other hazards
- Weatherproof, open-backed vinyl cover features reflective Truck-Lite logo

TECHNICAL SPECIFICATIONS

Material:

- Hard Coated Polycarbonate Lens
- Aluminum Housing
- Metalized Reflector
- Blunt Cut 18 Gauge Wire

Light Source:

- 10 Light Emitting Diodes (LEDs)
- 24v Design draws approx. 1.6 Amps @ 24v
- 12v Design draws approx. 4.0 Amps @ 12v

Additional Specifications:

- Complies with military specifications for EMI
- Operating Temperature Range: -50C to 70C
- Overvoltage protected, withstands voltage spikes to 600v

Recommended Accessories:

- 00872 Short Lamp Bracket
- 00874 Long Lamp Bracket
- 00876 Vinyl Open-Backed Cover

81072 Kit Components:

- 1x 81702 12v Lamp
- 1x 00872 Short Bracket
- 1x 00876 Lamp Cover

PART NUMBERS

Part No.	Description	Std Ctn. Qty
81702	LED Auxiliary Work Lamp, 12v	1
81802	LED Auxiliary Work Lamp, 24v	1
81072	LED Auxiliary Work Lamp, Bracket & Cover Kit, 12v	1
