STAY ON-TIME, EVERY-TIME

PREMIUM LIGHTING PACKAGES
FOR FINAL MILE DELIVERY FLEETS

Truck-Lite®

A **Clarience Technologies** Company

# Truck-Lite®
A **Clarience Technologies** Company

With consumer demand at all-time highs, delivering on time has never been more important. Truck-Lite's premium lighting packages offers rugged and reliable lighting so you can maximize uptime and operate confidently.

As eCommerce continues to increase, so does last mile delivery. Final mile fleets must continue to meet customer demands for transparent package status, faster fulfillment, and on-time delivery, making fuel efficiency and reducing downtime the most important factors for continued success, especially as electrification disrupts the transportation industry as we know it.

Truck-Lite leads with an understanding of industry challenges affecting our customers' businesses, backed by a technology-focused infrastructure with global reach to provide superior value to customers

AT THE SPEED OF LIGHT

LED PROJECTOR HEADLIGHTS 1 5X7" RECTANGULAR - CLEAR NEW Eye-catching design, rugged construction, best beam pattern on the market for increased light output where you need it. *3 Year Warranty.*	**33° SERIES** 4a MARKER CLEARANCE - YELLOW Versatile, convenient installation that only requires a 3/4" mounting hole, built with structural integrity to reduce downtime *Best-in-Class Dual Function Auxiliary options available. *Lifetime Warranty.*	**33° SERIES** 6 MARKER CLEARANCE - RED Versatile, convenient installation that only requires a 3/4" mounting hole, built with structural integrity to reduce downtime *Best-in-Class Dual Function Auxiliary options available. *Lifetime Warranty.*	**33° SERIES** 10 LICENSE LIGHT- CLEAR License Lamp Solution that requires no mounting brackets for an easy-to-install application. *Lifetime Warranty.*
SUPER 44° 1a FRONT/PARK/TURN - YELLOW 6 Diode Signature Truck-Lite Pentastar Design, solid-state construction and sealed circuitry designed to last the life of your vehicle. *Lifetime Warranty.*	**PEEL & STICK** 4b REFLECTOR - YELLOW Fast, Permanent installation designed to take extra force. *1 Year Warranty.*	**33° SERIES** 7 MARKER CLEARANCE - RED Versatile, convenient installation that only requires a 3/4" mounting hole, built with structural integrity to reduce downtime *Best-in-Class Dual Function Auxiliary options available. *Lifetime Warranty.*	**33° SERIES** 12a MARKER CLEARANCE - YELLOW Versatile, convenient installation that only requires a 3/4" mounting hole, built with structural integrity to reduce downtime *Best-in-Class Dual Function Auxiliary options available. *Lifetime Warranty.*
33° SERIES 2 MARKER CLEARANCE - YELLOW Versatile, convenient installation that only requires a 3/4" mounting hole, built with structural integrity to reduce downtime *Best-in-Class Dual Function Auxiliary options available. *Lifetime Warranty.*	**33° SERIES** 5a MARKER CLEARANCE - RED Versatile, convenient installation that only requires a 3/4" mounting hole, built with structural integrity to reduce downtime *Best-in-Class Dual Function Auxiliary options available. *Lifetime Warranty.*	**SUPER 44°** 8 STOP/TURN/TAIL - RED 6 Diode Signature Truck-Lite Pentastar Design, solid-state construction and sealed circuitry designed to last the life of your vehicle. *Lifetime Warranty.*	**33° SERIES** 12ab MARKER CLEARANCE - YELLOW Versatile, convenient installation that only requires a 3/4" mounting hole, built with structural integrity to reduce downtime *Best-in-Class Dual Function Auxiliary options available. *Lifetime Warranty.*
33° SERIES 3 MARKER CLEARANCE - YELLOW Versatile, convenient installation that only requires a 3/4" mounting hole, built with structural integrity to reduce downtime *Best-in-Class Dual Function Auxiliary options available. *Lifetime Warranty.*	**33° SERIES** 5ab MARKER CLEARANCE - RED Versatile, convenient installation that only requires a 3/4" mounting hole, built with structural integrity to reduce downtime *Best-in-Class Dual Function Auxiliary options available. *Lifetime Warranty.*	**SUPER 44°** 9 BACK UP - CLEAR 6 Diode Signature Truck-Lite Pentastar Design, solid-state construction and sealed circuitry designed to last the life of your vehicle. *Lifetime Warranty.*	**For a complete list of options visit** *truck-lite.com/finalmile*
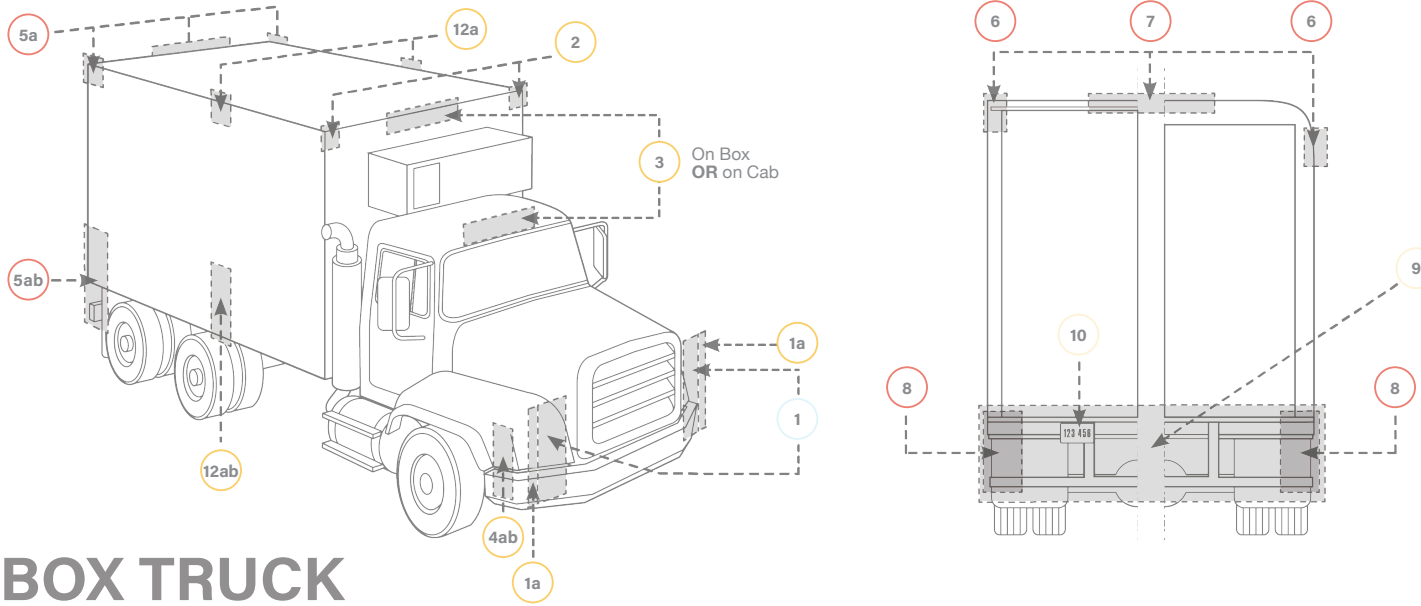

HEADLIGHTS

LED Projector Headlights *NEW*

Part	Description
37270C	LED Projector Headlight - NG - 7" Round
37450C	LED Projector Headlight - NG - 5x7"
37640C	LED Projector Headlight - NG - 4x6" L
37645C	LED Projector Headlight - NG - 4x6" H
37650C	LED Projector Headlight - NG - 4x6" L HEATED
37655C	LED Projector Headlight - NG - 4x6" H HEATED

LED Reflector Headlights

Part	Description
27270C	LED Headlight - 7" Round
27275C	LED Headlight - 7" Round HEATED
27640C	LED Headlight - 4x6" L
27645C	LED Headlight - 4x6" H
27645C	LED Headlight - 5x7"
27455C	LED Headlight - 5x7" HEATED

FRONT/PARK/TURN

Super 44®

Part	Description
44294Y	LED 6 Diode - 4" Round - Grommet
44292Y	LED 6 Diode - 4" Round - Flange

60 Series®

Part	Description
60290Y	LED 44 Diode - 6" Oval - Grommet
60291Y	LED 44 Diode - 6" Oval - Flange

Signal Stat

Part	Description
4050A	SS LED 24 Diode - 4" Round - Grommet
4053A	SS LED 24 Diode - 4" Round - Flange
6050A	SS LED 24 Diode - 6" Oval - Grommet
6053A	SS LED 24 Diode - 6" Oval - Flange

MARKER CLEARANCE

33 Series®

Part	Description
33250R	LED 1 Diode - 3/4" Round - Grommet - Red
33250Y	LED 1 Diode - 3/4" Round - Grommet - Amber
33051R	LED 1 Diode - 3/4" Round - Flange - Red
33051R	LED 1 Diode - 3/4" Round - Flange - Amber

36 Series®

Part	Description
36105R	LED 3 Diode - 1x2" Rect. - Flex-Lite Adhesive - Red
36105Y	LED 3 Diode - 1x2" Rect. - Flex-Lite Adhesive - Amber
36100R	LED 3 Diode - 1x2" Rect. - Flex-Lite 2 Screw - Red
36100Y	LED 3 Diode - 1x2" Rect. - Flex-Lite 2 Screw - Amber

10 Series®

Part	Description
10250R	LED 2 Diode-2.5" Round - Grommet - Red
10250Y	LED 2 Diode-2.5" Round - Grommet - Amber
10251R	LED 2 Diode-2.5" Round - Flange - Red
10251Y	LED 2 Diode-2.5" Round - Flange - Amber

Part Numbers listed above are most popular - Please see website for all part number configurations

STOP/TURN/TAIL

Super 44®

Part	Description
44302R	LED 6 Diode - 4" Round - Grommet
44602R	LED 6 Diode - 4" Round - Grommet HEATED *NEW*
44322R	LED 6 Diode - 4" Round - Flange
44622R	LED 6 Diode - 4" Round - Flange HEATED *NEW*

60 Series®

Part	Description
60250R	LED 24 Diode - 6" Oval - Grommet
60252R	LED 24 Diode - 6" Oval - Flange
60502R	LED 6 Diode - 6" Oval - Grommet HEATED
60622R	LED 6 Diode - 6" Oval - Flange HEATED

Signal Stat

Part	Description
4050	SS LED 24 Diode - 4" Round - Grommet
4053	SS LED 24 Diode - 4" Round - Flange
6050	SS LED 24 Diode - 6" Oval - Grommet
6053	SS LED 24 Diode - 6" Oval - Flange

BACKUP

Super 44®

Part	Description
44350C	LED 6 Diode - 4" Round - Grommet
44345C	LED 6 Diode - 4" Round - Flange

66 Series®

Part	Description
66205C	LED 1 Diode - 6" Oval - Grommet
66206C	LED 1 Diode - 6" Oval -Flange

Signal Stat (Economy)

Part	Description
6060C	SS LED 24 Diode, 6" Oval - Grommet
6063C	SS LED 24 Diode, 6" Oval - Flange

COMBO TECHNOLOGY

Part	Description
44557R	LED 6 Diode - 4" Round STT+Back Up-Grommet
44605R	LED 6 Diode - 4" Round STT + Back Up - Grommet - HEATED *NEW*
44555R	LED 6 Diode - 4" Round STT + Back Up - Flange
44625R	LED 6 Diode - 4" Round STT + Back Up - Flange - HEATED *NEW*
60556R	LED 8 Diode - 6" Oval STT + BackUp-Grommet
60610R	LED 8 Diode - 6" Oval STT + BackUp - Grommet - HEATED *NEW*
60559R	LED 8 Diode - 6" Oval STT + BackUp - Flange
60630R	LED 8 Diode - 6" Oval STT + BackUp-Flange - HEATED *NEW*

LISCENSE

33 Series®

Part	Description
33210C	LED 1 Diode- 3/4" Round - Grommet

36 Series®

Part	Description
36145C	LED 3 Diode - 1x2" Rect. Adhesive

15 Series®

Part	Description
15205	LED 3 Diode - 1x2" Rect. Bracket

REFLECTOR

Peel & Stick

Part	Description
98175R	3" Round - Adhesive - Red
98175Y	3" Round - Adhesive - Amber

Signal Stat (Economy)

Part	Description
45	SS 2" Round - Adhesive - Red
45A	SS 2" Round - Adhesive - Amber
